THE SIMPLE,
SINGLE ANSWER
YOU'VE BEEN
LOOKING FOR

YOU'RE BUSY RUNNING A BUSINESS, SO YOU DON'T NEED TO BE RUNNING SEPARATE PHONE AND INTERNET SERVICES AS WELL. THAT'S WHY WE'VE BROUGHT THEM TOGETHER FOR YOU.

HOW DO YOU LIKE TO GET IN TOUCH?

1

WE MOSTLY MAKE LOCAL CALLS AND BASICALLY USE THE INTERNET FOR PAYING BILLS AND EMAIL

2

WE'RE SMART COMMUNICATORS – MAKING THE MOST OF OUR PHONES, EMAIL AND INTERNET TO GET THE JOB DONE

3

WE CALL WHO WE WANT WHEN WE WANT, USE A LOT OF EMAIL AND TREAT THE WEB LIKE OUR WINDOW ON THE WORLD

1

THIS IS THE PLAN FOR YOU IF:

- you mostly make local phone calls
- you use email a bit, but not constantly
- you really only use the internet for looking up information, paying bills, etc
- you don't make many calls to mobiles or long-distance numbers.

2

THIS IS THE PLAN FOR YOU IF:

- you really rely on your phone to stay in touch with people
- you get a lot of information sent to you via email
- the internet's an important tool for downloading info, videos, etc
- you're sure most mobiles you call are on a Telstra plan.

Free On Account Calls means you don't pay for any calls between the mobiles and fixed phone services on the same account as your BizEssentials plan. That includes mobile-to-mobile, fixed-to-mobile and mobile-to-fixed calls. So your team will be free to talk as much as they need to. (Calls to/from mobiles while roaming overseas are excluded.)

You're looking at single plans that include your fixed phone plan, broadband service, email, data backup and value added productivity tools. So along with cost-certainty and a cut in your admin work, you'll have the connections you need to keep your business moving.
